## Dance Project to hold Annual Free Clogging Session

Blairsville Dance Project will be hosting a free 3-week clogging session. Designed for the beginner, new students will be introduced to basic clogging by members of the BSoD Force competition clogging team.

"We are so excited to be able to offer this for the eighth year," said Angela Puleo, Studio Director. "We usually get a great turnout not only from Blairsville, but also from the surrounding communities."

The classes will be open to anyone ages 6 and up and will take place on Tuesdays, July 5, 12 and 19 from 6:30-7:15 p.m. Participants should plan on attending all classes.

The BSoD Force competition clogging teams are well equipped to lead the session. With its regular participation in the regional and national competition circuit, the group is on the cutting edge of contemporary clogging. In addition to the classical dance forms, BSoD has a nationally recognized clogging program that begins training recreational and com-

Clogging team

petitive dancers at age 3.

"Our beginning session focuses more on traditional clogging," said Puleo. "While our group performs a mix of traditional and contemporary style clogging, most of the more modern steps contain elements of Irish, tap and Canadian step dance."

This session's beginning students will learn the "drag/slide" style of clogging. At the completion of workshop, the new dancers will have learned a simple new routine.

Those interested in par-

ticipating in this year's 3 Free Week Session should reserve a spot by calling (706) 835-1415 or emailing blairsvilledance@gmail.com. While the session is free, space is limited, so a reservation is required. Participants must be age 6 or older.

Next Blairsville Dance Project will be preparing for its August 6th "Day of Dance" event, on which it will offer free trial classes in multiple dance styles for ages 18 months and up. BSoD is located at 80 Blue Ridge St. in downtown Blairsville. NJun29.Z17/jgg

**Blue Ridge** - It took eight games over six days but the Union County 12&U baseball all-stars eventually prevailed after falling into the losers bracket - forcing them to win five-straight to punch their ticket to the State Tournament.

During the eighth and final game, the Panthers knocked off Towns County for the second consecutive time with Union rallying for six runs in their final at bat.

Entering the bottom of the third, the Panthers were on top at 2-0 but the Indians struck for three in their half of the in-

ning for a 3-2 advantage.

That score would remain unchanged until the top of the sixth when Union loaded the bases with nobody out.

A base hit knotted the score at 3-3 and an infield single allowed another run to cross - making it 4-3.

A two-run double blew things open at 6-3 before the Indians recorded the first out on an RBI groundout.

The Panthers added the eighth and final run on a two-out balk.

Towns recorded a one-out base hit in the bottom of the sixth but were unable to threaten any further.

The Panthers opened the tournament on Friday, June 17th with back-to-back wins.

The first victory came over Banks County, the second was over the host team Fannin County on Saturday.

Sunday would see Union suffer its first and only defeat at the hands of the Hall County Thunder, forcing the Panthers into action again that same day when they secured their second victory over Banks County.

Union would return to action on Monday with another win over Fannin County, setting up a Tuesday rematch with the Hall Thunder, and this time the Panthers came out on top.

After disposing of Hall, Union got its first shot at unbeaten Towns County and took care of business - resulting in a winner-take-all District Championship game on Wednesday.
